

STUDENT PARKING

Students who drive to school are required to register their vehicle with the High School office. A parking ID will be issued and is to be displayed on the rear view mirror. Starting this year the tag will remain with the student as long as they are a GBHS student, they will not change each year. If the tag is lost they will need to come to the office to receive a new permit. Seniors will turn their tag in at the end of the year.

All student vehicles are to be parked in the student parking area. *Vehicles which are parked illegally, in the faculty lot, or in a manner which blocks or hinders the safe movement of others are subject to removal and school disciplinary action.*

All bicycles will be parked in designated bicycle racks around the buildings.

Please fill out the enclosed Vehicle Registration Card and bring it to enrollment to receive your parking permit.
